

Dufour 360 **Charter**

The Dufour Grand Large 360 is aimed squarely at the summer cruiser; someone who, with their family and friends, port hops along the coast from anchorage to anchorage or harbour to harbour. The 360 offers the deck space to make this dream a reality – that’s not something many 9.99m (32 ft 9in) yachts can do. There is so much on this boat that is right. She is a delightfully easy-to-sail cruiser with a great cockpit layout, a light and spacious saloon and open forecabin. In the two-cabin version, you get a boat with loads of deck storage, a big heads compartment, a decent fixed forward-facing chart table and a good sea berth to starboard in the saloon that can be used without the navigator interrupting your sleep. yachtingmonthly.com/reviews/
